# IRIS

**SOLO**

JAWS® TECHNICAL SHEET • IRIS [SOLO]

A true ultralight packraft designed for all calm waters: rivers, seas, and lakes.

The Iris is the perfect packraft for any adventure, in any environment.

## ACTIVITIES

Flat water

6/6

Whitewater

2/6

### The very essence of packrafting.

Do you dream of traveling ultralight, carrying your packraft to mountain lakes, floating down peaceful rivers, or combining cycling and paddling for bike-rafting adventures?

Iris is the pure essence of packrafting: the ideal companion for minimalist adventurers seeking freedom, versatility, and simplicity. Equipped with a closed floor for excellent stability, it follows you everywhere with confidence and lightness!
